L. to R. Anne Jones, Jim Newby, Grant Felzien, and Diane Jackson stop for a breather.

*Love for our school...respect*

L. to R. Mr. Collier, Mr. Redding, Mr. Croxton, and Mrs. Everman discuss daily problems

*for our leaders...and a longing*

*to remember...*

This is our dream building! Growing out of a long need by the junior-senior high students of Anderson Township, labored on by our citizens, educators, and trustees, its doors first opened to serve in September 1956. Our teachers, the real source of our learning, have shown patient cooperation in dealing with the multiple problems of our new school.

The classrooms are light, comfortable, and colorful. Many other features to which we point with pride are the spaciousness inside and out, an ample gymnasium, a pleasant cafeteria with an ultra-modern kitchen, vocational shops, homemaker's department, interesting laboratories, and a well-stocked library--all offering us the best in educational opportunity.

This is the heritage one generation leaves to create better citizens enjoying life to the fullest.

# MADISON HEIGHTS

It has taken a lot of hard work and personal sacrifice to organize this school of over 1,500 students. Our principal has done a marvelous job in unifying the school so smoothly. The seniors especially appreciate this in our last year. It is both with pride and pleasure that we dedicate this first Treasure Chest to Mr. R. E. Collier.

## "PINK CAROUSEL"

A wonderland of pink surrounding a carousel was the setting of the Prom. The Phi Mu Cru supplied lilting music for the couples at Linder's. The many hours of planning and work which the Juniors put into their "Carousel" made the evening of May 10, 1957, one which will long be remembered by the first and second graduating classes of Madison Heights.

Carolyn Norman, Attendant

## QUEEN AND COURT

Miss Judy Black, chosen Prom Queen by the Junior boys, reigned in a full length white gown, complimented by small pearl earrings and a small strand of pearls around her neck. The attendants, Miss Cindy Hart and Miss Carolyn Norman, also wore lovely full length formals.

# "VOICE OF DEMOCRACY"

Sheila Simkins won first place in the Madison County, Voice of Democracy Contest sponsored by the Junior Chamber of Commerce. The following is an excerpt from this speech: "And thus; the (freedom) curtain takes shape and substance. Invisible it might be,--but exist it does,--an almost tangible force woven of man's eternal quest for freedom,--the realization of a dream."

## GIRL'S, BOY'S, STATE

The Madison Heights representatives at Boys' and Girls' State, which is sponsored by the American Legion, were chosen on the basis of scholarship, citizenship, and personality. They meet for a week at Indiana University with representatives from all over Indiana. The representatives are divided into cities and political parties. Conventions are held and the officials are elected. Through this, students can learn how our government operates.

## D.A.R. AWARD WINNER

The honor of representing Madison Heights in the D.A.R. Good Citizenship Contest went to Molly Lightfoot this year. Although Molly didn't win in the county, she is a good citizen of M.H.H.S.

# MADISON HEIGHTS VARSITY

Even though the varsity basketball team didn't win at first, you could tell they had what it takes. The turning point of the year came when we lost to Yorktown by only one point. Most of us were sure we would win the next game and we did! Although most of the plays were set up around center, Larry Huffman, who is 6'5" tall, Coach Paul Bradford had no set line-up for the team. With our five wins against Pendleton, Jackson Central, Frankton, Hancock Central, and North Central, we made state history by winning more games than any other school has ever won in the first year. Next year's team will lack the speed of Terry Sayring and height of Larry Huffman.

# FRESHMAN SPORT 16-1 RECORD

This year's freshman basketball team established a most enviable record by winning 16 ball games while losing but one, a record which may long stand. Although the boys were from different Junior High schools and had not played together before, they were welded into a fine ball team. Team spirit and cooperation were of excellent quality. We may expect great things from these boys in future years.

The first Madison Heights cross-country team was organized and coached by Mr. James Jones. The hard working cross-country team stacked up a fine record considering the fact that this was their first season in the running and it was mainly devoted to their organization. This was the first year that most of the boys had ever been in cross-country competition and it took a lot of hard work just to get used to the strain. The boys who received letters were: Bob Brooks, John Bryne, Tom Carpenter, Maurice Campbell, Tom Campbell, Richard Delph, Larry Earley, Grant Felzien, Bill Hogg, Marvin Nunemaker, Terry Sayring and Dale Smith.

Our self-contained wrestling team was supervised by Mr. John Riley. It was divided into three groups: light weight coached by Richard Delph, middle weight coached by Don Heacox, light light-heavy and heavy weights coached by Tom Osburn. Fifteen of the members are in high school and two are in junior high. Five are honor students. Our school was host for three meets and we attended six away from home, winning the ones with Bluffton and Marion. At the sectional Richard Delph placed fourth in the 112 lb. division, Carl Kreig 4th in the 165 lb. division.

# VARSITY CHEERLEADERS

The trim outfits, blaring posters, new yells and constant energy of our cheerleaders have done much for our school spirit. The cheer block, which they organized, has represented our school well and has received many compliments. Mrs. Louise Grantham has given them much help in perfecting the yells. Gay, Molly, and Nancy are the graduating seniors. All of the cheer-leaders are on the Pep Sessions Committee.

Row One: C. Norman, D. Childers, G. Babcoke, V. Henricks. Row Two: J. Duncan, N. Madren, M. Lightfoot.

Row One: J. Keene, R. Delph, O. Taylor, R. Bagshaw, E. Greenwalt, F. Kolde, J. Leonard, P. Cox, L. Hunt, J. Hensley, D. Roberts. Row Two: B. Cook, S. Crisler, J. Vermillion, J. Banther, R. Miller, E. The football team, though young and for the most part inexperienced, did a very creditable job this year. Since our field was not in playing condition, they practiced behind Roosevelt School and played all of their games on their opponent's field. As this was the first year for football at Madison Heights, the team played a reserve schedule of four games. They were beaten by Royerton, 18-13; Sheridan, 12-6; and Alexandria, 12-6. They defeated Fairmount by a score of 25-7 in their last game.

# FOOTBALL AND BASEBALL

The baseball team won four of their seven games and finished third in the White River Conference behind Frankton and Lapel. This is very good work for the first year since there are 8 teams in the Conference. Earl Reed, short-stop, and Roger Skinner, centerfield, made All-Conference.

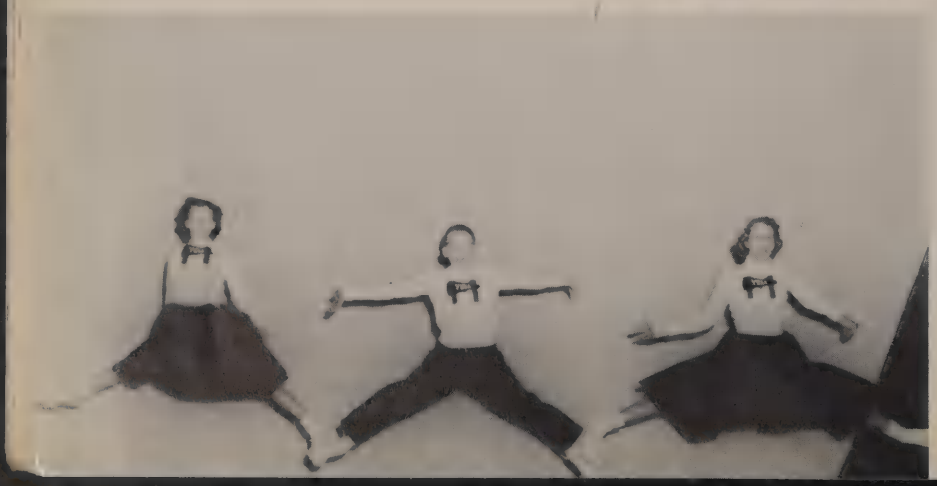
Mgr. T. Mier, L. Early, M. Shipley, B. Kessler, R. Skinner, D. Jones, T. Boots, E. Reed, D. DeLong. Back Row: Coach Paul Bradford, T. Bolles, J. Webber, C. Grabel, N. Reed, L. Huffman, C. Krieg, B. Brenneke, Coach Marvin Gordon.

JUNIOR HIGH BASKETBALL TEAM

Row One: J. Bemish, St. Mgr. A. Branch, M. Humphrey, T. Werbe, B. Thomas, D. Hines, D. Shipley, R. Granger, St. Mgr. Row Two: Mr. Richard Briles, Assistant Coach, C. Hildreth, B. Bryant, J. Miller, T. Brinson, L. Lane, L. King, J. Humphrey, Mr. John Horevay, Coach.

# THE FUTURE PIRATES

The freshman team was cheered to many victories by Melanie Newman, Jill Black, and Jeanie Lightfoot.



Kay Imel, Keith Apple, and Cindy Hunt inspired the Jr. High Quintet to a very envious record.

I have enjoyed having you as a student this year. May you always be successful in the years to come.
